Don't miss it!

*Alcantara Xs (extra small)\_International Roving Exhibition* is a **BIG** moving tour which will reach, throughout 2005, 10 **BIG** cities around the world to exhibit 100 **extra small** dummies dressed up by the fashion design students of 10 worldly renowned colleges of art & design with the newest Alcantara's fabrics offered them by the Italian company

*Alcantara Xs (extra small)\_International Roving Exhibition* is the **BIG** result of a project for **extra small** dummies launched in early 2004 by Alcantara SPA, Italian producers of luxurious fabrics, and supported by Mittelmoda International Lab

*Alcantara Xs (extra small)\_International Roving Exhibition* aims at supporting international talent and at encouraging free creativity by giving a **BIG** visibility to the creations of aspiring fashion designers from all over the world

*Alcantara Xs (extra small)\_International Roving Exhibition* hopes to have the chance to **welcome** and to **meet you at the BIG Opening Presentation @ Pulp Dept. Store**

some of the collections on show

collection created by Véronique Mersch and Loubna El Amouri  
former students of La Cambre
